Under shadow of the linden-trees
Lay moving on the grass,
Between them and the moving boughs,
A shadow, thou wast pass.

Thy dress was white and blue,
And thy hair was like they :
One of God's angels
Did walk with me that day.

I saw the boughs of the trees
Bend down to touch to meet,
The clover blossoms in the grass
Rise up to kiss thy feet.

Sleep, sleep to-day, tormenting cares,
Of earth and folly born !
Softly sang the village choir
On that sweet Sabbath morn.
